During the year 1929 the following improvements were made.

A new line of 4 inch cast iron pipe was laid on Cross St. from Henniker St. to the foot of Jackson St. to connect with the Jackson St. line. 360 feet of pipe was laid on this street at a cost of $587.29 which was charged to extension account.

This extension eliminates the "dead end" formerly at the foot of Jackson St.

A new line of 6 inch cast iron pipe was laid on Jackson St. to replace the old 4 inch cement line pipe. 540 feet of pipe were laid on this street at a total cost of $957.33 charged as follows: Renewal $360.80, Excess Renewal $596.53.

On West Mill St. a new line of 6 inch cast iron pipe was laid from Mill Square to the Hillsboro Woolen Mill office replacing the old 4 inch cement line. 670 feet of pipe was laid on this street at a total cost of $1,165.73 charged as follows: Renewal $381.90, Excess Renewal $783.83.

A new extension was laid on Henniker St. to supply the new building of Harlan Colby. 51 feet of 2 inch Byers galvanized and 24 feet of ¾ inch copper pipe was used on this job at a cost of $88.46, which was charged to Extension account.

In reference to the fact that the items of care and repair were considerably in excess of last year, we wish to state that the increase in these items were due largely to the fact that a great many more service renewals were made during the year 1929 than have been made in any recent year. This of course represents added improvement to our water system.

SUPERINTENDENT'S REPORT

The Superintendent of Schools hereby makes his tenth annual report of the Hillsborough Town School District, it being the report for the school year 1928-1929:

There were no changes in our corps of teachers, but Miss Barbara Hatch, a grdauate of the Music Course at the Keene Normal School was engaged as Music Supervisor, in co-operation with Antrim and Deering.

The following table gives some data concerning the teachers,

School	Teacher	Salary	Yrs. Exp.	Approval
Upper Village	Grace Crane	$900	10	C
Bear Hill	Charlotte Colburn	900	3 1-3	P
Lower Village	Georgianna Gile	900	6¾	C
Merrill	Elsie Fletcher	900	5½	C
Flat	Gladys Murdo	900	14	C
Goodell	Susan Pierce	720	11 1-3	L
Music	Barbara Hatch	350	0	L
	Total	$5570		

Our pay roll has increased $710 by giving two teachers an increase of $180 each and by engaging a music supervisor.

Data taken from the teachers' registers show the total enrollment to be 124, with an average membership of 101, and an average attendance of 95.5 divided as follows:

School	Enrollment Boys	Girls	Total	Membership Average	Attendance Average	Absent Days	Attendance	Percent of Tardiness
Upper Village	15	20	35	28.5	26.8	287	94	137
Goodell	6	9	15	10.4	9.8	103	94	22
Lower Village	16	17	33	26.2	23.9	394	91	12
Bear Hill	4	3	7	6.4	6.3	31	97	3
Flat	14	5	19	17.0	16.3	114	96	22
Merrill	9	6	15	12.5	12.4	98	96	0
Totals	64	60	124	101	95.5	1027	94.7	197

There were 237 days fewer absences this year than last year, and the percentage of attendance has improved, while the number of cases of tardiness has decreased slightly. The Upper Village school is the largest and also has the largest number of cases of tardiness per pupil, 4.8. The Lower Village school has improved in attendance, but still has the poorest record. Bear Hill had the best attendance, and for the past two years the Merrill school has had no cases of tardiness, a wonderful record.

The enrolment by grades has been:

Grade	Pupils	Grade	Pupils
1	18	5	17
2	18	6	21
3	14	7	16
4	17	8	3

In addition to the above pupils, we had 22 attending the Hillsborough High School, and 5 of the 124 in our schools were tuition pupils, so that we had a total of 141 pupils in school.

The following names are on the roll of honor for perfect attendance:

Verna Crane
Daniel Dodge
Ethel Dodge
Beatrice Gagnon
Frances Murdough
Bertha Oski
Raymond Peasley
Eva J. Taylor
Elsie Whitney
Harry Whitney

Two hundred sixty-nine visits were made by parents and friends, 21 by school board members, and 192 by the superintendent, divided as follows. The first figures in each case being those for last year and the second figures are those for this year:

Schools	Parents Visits	Board Visits	Supt. Visits
Bear Hill	76- 24	4- 4	20- 21
Lower Village	67- 75	2-11	33- 44
Goodell	16- 18	0- 1	20- 25
Upper Village	22- 26	0- 0	30- 33
Merrill	44- 43	2- 2	27- 28
Flat	68- 83	0- 3	42- 41
Totals	293-269	8-21	172-192

There was an increase of visits by parents in all but one school, but there was such a large falling off in that school that the total for the year was less than that for last year. The School Board has greatly increased its number of visits, as has the superintendent also.

Great improvement has been made in the school buildings and grounds. All our buildings were by the end of this school year correctly lighted, and money has been voted to provide playgrounds for the Merrill and Flat schools, the Upper and Lower Village schools having been well provided for in that respect, last year. Since the close of the year for which this report is made, but previous to its publication, a great deal more has been done which will properly appear in the report for the school year 1929-1930. In your superintendent's visits in other school districts he has every reason to feel proud of the progress your school board has made, and is making, in the improvement of school conditions.

The Graduation Exercises were held at 2 p. m., June 6th, at the Lower Village Chapel, with the following program:

The names of the three young lady graduates are followed by an *.

The oustanding features of this year's work have been the supervision of music in all our schools, the improvement of the school buildings and grounds, and the attendance of our teachers at summer Normal school.

The co-operation of the school board, every member of which, has put more of his time and thought into the work than is usually the case, and the interest shown in their work by the teachers is greatly appreciated, and has resulted in benefit to the pupils.

Respectfully submitted,

A. A. HOLDEN,
Supt. of Schools.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Hillsborough Special School District:

I hereby present my eleventh annual report as Superintendent of Schools.

The following table gives the usual information regarding our teachers, and is valuable as a permanent record.

Teachers	Grade	Salary	Years of Experience	Education	Approval
Lena Ball	Music	$283.32	7	Baldwin Sch. of Music	L
Myrtle K. Brooks	High	1350	18	Commercial College	L
Evelyn Camp	High	1200	1	Keene Normal	C
Eva Doble	Grammar	1150	20	Keene Normal	C
H. W. Dow	High	2200	24½	Brown	C
Emily Flanders	Grammar	1000	21½	Plymouth Normal	C
Dorothy Gale	Grammar	950	0	Keene Normal	L
Hazel Graham	High	1250	1	Keene Normal	C
Dorothy Holden	High	1100	0	Wheaton	L
Nellie Mellen	Grammar	1000	17		C
Edith Messer	Drawing	255	35	I. C. Sch.	L
Eva Rikard	Grammar	1050	13	Wheaton	C
Cora Scruton	Grammar	1000	22		C
Estella Shedd	Grammar	1000	29	Plymouth Normal	C

The total amount of the teachers' payroll was $14,788.32. The salary of the music and drawing supervisors seems small but it should be remembered that they give one day a week to our schools, instead of five as the others do. The average length of teachers' experience is 15 years, and we had only two teachers without experience, Miss Holden, a graduate of Wheaton, and Miss Gale from the Keene Normal School. Three teachers were

college graduates, three attended professional schools, six were Normal graduates, while the remaining two report no post secondary education; but from their successful experience they are among our best teachers, both having received a teachers' certificate, the highest form of state approval. Nine of our teachers have certificates and five have licenses.

The minimum length of a satisfactory school year, in this state, is 36 weeks, and several districts have a longer year. We had 174 days of school, which is a loss of 6 days. We expect to have the length of the next school year approach more nearly to 180 days, by arranging the school calendar so as to include as many of the so called legal holidays as possible, in our vacations.

Pupils have been fairly regular in attendance, the average being 95.3 per cent, and ranging from 92.5 per cent in the primary room to 96.5 per cent in the eighth grade. Punctuality, a form of reliability, is one of the qualities the teachers have striven to inculcate with a fair degree of success. In the Grammar School, with an average membership of 252 there were 49 cases of tardiness for the whole year. Two rooms are worthy of mention, Miss Rickard's room with an enrollment of 50 had only two cases of tardiness, and in the primary room, Mrs. Scruton had 45 pupils with only three cases of tardiness.

In the high school however, with an average membership of 98 there were 132 cases of tardiness. There were in both schools taken together only 51 cases per 100 pupils whereas the state average was 96 per 100 pupils.

The enrollment by rooms is as follows:

Grade	Boys	Girls	Total
1	28	17	45
2	13	27	40
3-4	25	29	54
4-5	25	22	47
6	22	20	42
7-8	18	32	50
High	47	61	108
Totals	178	208	386

Of the 386 pupils in our schools 52 were tuition pupils; 21 from Hillsboro Town, 17 from Bennington, 10 from Deering, 3 from Washington and 1 from Bradford, leaving a total of 334 of our own pupils in our schools.

Parents have been constantly urged to visit schools, and are doing so in increasing numbers. There were 527 visits from parents and friends and 30 from school board members. The superintendent made 496 visits of supervision and inspection.

The Chadwick Essay prizes were won by Lida Dow, a junior, and Ethel Smith, a senior, tying for first prize, and Helen Oski received the third prize. The Sons of the American Revolution Medal, a good citizenship award to eighth grade pupils, was won by Miss Lois Charnock, and the Haslet Scholarship was awarded to Miss Alta Fitzpatrick, who entered Keene Normal School in September.

For a number of years a high per cent of our eighth grade graduates have entered high school, this year 14 of our 15 graduates did so, and in their final examinations their averages ranged from 79 per cent to 90 per cent.

The high school graduating class presented a fine bust of Col. Lindberg to the school, and several other classes have rememberd the school with gifts. This is a commendable practice because it adds works of art to the school rooms, and because it encourages the feeling among the graduates, more and more that they are helping in making the school what it is and what it is to be.

Our high school offers the standard college preparatory couse, a scientific school preparatory course, an office position preparatory course, and a home keeper's preparatory course. These are all good courses and should be given, but in the list we find no preparatory course for the mechanically inclined individual. He cannot go to college, he would not fit in an office, but if he attends high school now he must take one of the courses primarily

fitting for those places. At one time we did have a mechanics arts course, but as it was discontinued before my term of office I do not know of it at first hand, but I have been told that it was not popular and that so few elected it that it was given up. However, the state department of education, working with experts along this line, are getting out, and will soon have ready for distribution, a new mechanic arts course which we await with interest, believing that it will offer to a larger number of boys, a good preparation for the work they are best fitted to do. Although it would not induce many more to come to our high school, because we now receive about 100 per cent of our grammar graduates, yet it would no doubt keep more of those who do enter for the whole four years.

In May our Music Supervisor, Mrs. Lena Ball, held a Music Festival, which was creditably performed and enthusiastically received. It took the form of an exhibition of the work done in music in the different grades, and illustrated the development of the work from grade to grade.

The work of the schools has been going on for the most part along the usual lines. Our teachers are, however, constantly on the lookout for ways to present their work more forcefully and interestingly. Space will not permit me to mention all the ways that the work has been made of more than usual value to the pupils both in the Grammar and in the High School. Different typewriter companies offer certificates, bronze, silver and gold medals for excellence in typewriting. Miss Brooks has interested the pupils in these contests with the result that during the year our pupils won 36 certificates, 21 bronze medals, 21 silver medals and 14 gold medals. Miss Mary Cuddemi had a speed record of 65 8-15 words per minute for 15 minutes with only two mistakes. All pupils with a record of 60 words per minute are considered worthy of receiving a gold medal. One of the typewriting

companies publishes each quarter an honor roll, and the Hillsborough High School has appeared on all four Honor Rolls this year. The pupils in this department have opportunity to do thousands of sheets of extra work each year for different departments of the school and for many organizations such as the Music Clubs of the town, and the local P. T. A. Miss Graham's English work was made especially interesting by the making of illustrative posters, book projects, poetry booklets, original articles and poems published in the Messenger. Two interesting poetry projects were black and white cut outs by Marjorie Smith on "The House by the Side of the Road," and one on Kilmer's "Trees," by Rowena Yeaton. The Food Classes, under Miss Camp, had two contests with prizes. Miss Rowena Yeaton won the prize given by the Royal Baking Powder Co. for angel cake, and a contest on Home Projects in which Carrie Stinson won first prize, and Agnes Diemond won the second prize. There was also a dress contest in which Vivian Cote, Janet Cote and Alice Crane were winners.

The Grammar School has had a successful year, with Mrs. Dobel as principal. Discipline has been maintained under her guidance, and she has the confidence of her teachers and the community; and the cheerful co-operation of her faculty.

The annual medical examination was conducted by Miss Mildred Mattson, a registered nurse recommended by the State Board of Education, and the follow up work was done by Miss Gile. Some interesting figures of Miss Mattson's report follow. Out of 342 pupils examined

55 were underweight
26 had defective vision
167 had defective teeth
32 had defective breathing, and
92 had defective tonsils.

It is to be hoped that we may, in combination with some other school district or districts, engage a regular school nurse to do both the examining and the follow up work. Not once a year but many times during the year, to be at the call of the teacher for a health inspection whenever it is needed. The importance of health as a controlling factor in successful living needs no demonstration to the people of Hillsborough.

The graduation exercises of the Grammar School were held in the School Hall on Friday afternoon, June 7th, Emma Yeaton and Harriet Coxon were the honor pupils. The high school graduation took place in the Opera House on Thursday evening, June 6th. There were eleven graduates, with Grace Worth as valedictorian, and Ethel Smith as salutatorian.

Respectfully submitted,

A. A. HOLDEN,
Supt. of Schools.
